

BNY MELLON

General Services and Corporate Real Estate

Walker Commercial Interiors, Inc.

To Whom It May Concern,

I would like to thank "the team" from Walker Commercial Interiors, Inc. that were involved in the build-out of our new space at 3300 PGA Blvd. In a very short timeframe Walker Commercial came through with flying colors. The timeframes under which Walker Commercial operated was incredibly tight and only through their perseverance, dedication and professionalism was the General Contractor able to meet our schedule. I would definitely recommend Walker Commercial for future work in the Florida market.

Sincerely,

Chester T Belback Jr.

Vice President
